H. V. Nanjundiah Esquire M.A.M.L.
Secretary to the Govt of Mysore
Education Department

Sir,

I the undersigned most respectfully beg to approach you with this application in the earnest hope that you will be pleased to give your best support to my intended proposal so as to crown my humble attempt with success

My father, the late Mr Shop Sedda Gowda was a resident of Saklaspur for upwards of 50 years, and during that long sojourn he was able to make a small fortune in Saklaspur During his lifetime, he was fervently desirous of doing some work of charity particularly towards education which may outlive him, but finding that he would not be spared to complete what he did intend he left behind him words enjoining on me to fructify them in action He was aware of the non-existence of a decent and convenient School building for the use of the Anglo-Vernacular School at Saklaspur and it was his great desire to build one in a suitable locality and make it over to Government for the purpose of the School and thus allow his humble contribution to survive him

As I understand that a proper plan and estimate has been prepared by Government for the construction of a School building at Saklaspur and as I also hear that a suitable site has been chosen for the same I beg that you may be pleased to obtain the sanction of Government to permit me to construct the building or to pay up

the whole cost of the building to Government that the long cherished desire of my father may take a real shape to perpetuate his memory by calling the School after his name and also of granting one other special concession of giving free education to the backward class viz - the Lingayet students of the Malnad.

I most humbly and respectfully beg to state that I am willing to contribute upto Rs. 8 000/- (Eight thousand), whereupon which, I am informed the building is intended to be constructed.

Now I most humbly and respectfully solicit that your honour will have the goodness of sanctioning the proposal and get me permission to construct the building.

For which act of benevolence, I as in duty bound will ever be grateful to your honour.

I beg to remain,
Respected Sir,
your most obedient and humble servant

From M Shama Rao Esq M A

Offg Secretary to the Government of His Highness
the Maharaja of Mysore General & Revenue Departments

Sir

With reference to your official Memorandum No 858/Ed 10-12-2 dated 25th July 1912 forwarding a petition for report from one Shop Siddé Gowda of Saklespur offering a new building at a cost of Rs 8000 to be named after his father for the Anglo-Vernacular School at Saklespur I have the honour to inform you that Shop Siddé Gowda saw me on two occasions in connection with the proposed building and I also had an opportunity of discussing the subject with Mr Wetherall Deputy Commissioner of the Hassan District The Government having already sanctioned a building for this school at a cost of Rs 9625 and the plans and estimates having already been countersigned in this office and returned to the Executive Engineer of the Hassan Division Shop Siddé Gowda has given a statement before the Sub-Division officer of Saklespur that he is willing to defray the whole cost of the building subject to the following three conditions - (1) that the contract to construct the building is to be given to him (2) that the school should be named after his father and (3) that all school-going Lingayet children be given free education at the school The 2nd and 3rd conditions he makes imperative though he is willing to forego the first if not possible I explained to him and Mr Wetherall

also

also explained to him that it was doubtful if Government would consent to an indefinite obligation to educate all Lingayet children free but he makes it the foundation of his gift and in these circumstances I am of opinion that the Government may be pleased to decline the gift Mr Wetherall with whom I discussed the matter also agreed that it was inexpedient to accept the condition of free education to the Lingayet children

The enclosures to the official memorandum quoted above is returned A copy of the statement of Siddé Gowda before the Sub-Division Officer of Saklespur and a copy of Mr Wetherall's letter No 384 dated 30th September 1912 addressed to me are also enclosed

(2) That the School be named after his father the late Mr Shop Siddegowda

(3) That all school going Lingayat students be given free education at the School
